### Omschrijving

This Ingo Maurer Blow Me Up is 180 cm long and has a diameter of 14 cm. The inflatable pendant light is connected via a canopy. The suspension can be adjusted individually via adjusting rings. This allows the pendant to be suspended horizontally or diagonally. The lamp is silver at the top and white at the bottom. An LED is integrated in the lamp, which illuminates the reflective side, whereby indirect light is emitted. The Blow Me Up by Ingo Maurer can be turned on or off as well as dimmed by gesture control. The LED power is 30 watts. This lamp is also available with a length of 120 cm and as a wall or floor lamp, which is connected via a power plug.
