Technical details

Land van fabricage	 Verenigd Koninkrijk
fabrikant	Anglepoise
ontwerper	George Carwardine
jaar	2015
bescherming	IP20
Omvang van de levering	LED
Projectie in cm	56
materiaal	het smelten, staal, textiel
kabellengte	180 cm
base/versie	E14
schakelbaarheid	aan de lijn
Vermogen (max. Watt)	15 Watt
LED	inclusief
Schaduw diameter	13 cm
schermhoogte	14 cm
bulb vervangen:	ter plaatse zelf
Dimensions	H 42 cm

Omschrijving

The Anglepoise Original 1227 Mini Lamp with Desk Lamp can be mounted on tables or shelves with a thickness of 1 cm to 6 cm. With its movable articulated arm, the clamp lamp can be repositioned again and again. The lamp head can be individually tilted and rotated. The addition of a neat cable clamp means that it is possible to attach the 180 cm long cable to the articulated arm exactly where it is needed using the on/off switch. This lamp also uses as with other Anglepoise lamps the proven constant tension spring technology developed by industrial designer George Carwardine especially for the British manufacturer. Thanks to this tension spring technology, the clamp lamp remains in any set position.

The Original 1227 Mini Lamp with Desk Lamp is available in the surfaces jet black, linen white and dove grey. Lamp shade, articulated arm and clamp are each in the selected surface. The lamp shade has a diameter of 13 cm and a height of 14 cm. It is made of steel and all versions are glossy lacquered. The clamp is made of cast iron, the adjustable articulated arm is made of aluminum. LED retrofit or compact fluorescent lamps are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
