Omschrijving

This Vibia Wireflow, designed by Arik Levy, reinterprets the aesthetics of a chandelier. The pendant lamp is stylishly modern reduced to the essentials and at the same time a strong, present form. Its filigree appearance is reminiscent of classic models of chandeliers, but leads into a new and innovative dimension. This is a pendant lamp without glass diffusers. It can be dimmed on site and is height-determinable.

It is offered in 5 sizes:

- Version 0408: length 46 cm, width 40 cm, total length 100 - 200 cm
- Version 0407: length 58 cm, width 50 cm, total length 110 - 200 cm
- Version 0406: length 81 cm, width 70 cm, total length 160 - 250 cm
