| Dimensions | H 72 cm Ø 150 cm |

Omschrijving

For the Vibia Wireflow 0376 pendant lamp, the concept of a chandelier is packed into a three-dimensional form by the designer Arik Levy and thus completely reinterpreted. Stylishly modern and reduced to the essentials, this lamp becomes a unique design product. The Wireflow Chandelier 0376 is operated with 42 LEDs. The light is mainly emitted downwards through glass diffusers. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
