Mayfair 5505

Oberfläche

- graphite grey
- koperen
- goud
- wit

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Diego Fortunato
jaar	2016
bescherming	IP20
Omvang van de levering	LED
materiaal	polycarbonaat, staal, zink
dimmen	sensor dimmer
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	2.027
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Schaduw diameter	30 cm
schermhoogte	6 cm
kandelaar Dimensions	15 cm
prestaties van het systeem	1 x 2,4 + 1 x 12,6 Watt
Dimensions	H 52 cm

Omschrijving

The Vibia Mayfair 5505 table lamp emits most of its light directly downwards. A small part of the light is also emitted indirectly upwards. This lamp has an opaque shade, and the Mayfair 5500 from this series is also available with a translucent shade.

The Mayfair 5500 is available in four surfaces: graphite grey matt lacquered, gold satin matt, white matt lacquered and copper satinised. The table lamp can be dimmed by means of an optical sensor on the base of the lamp. It is switched on or off by briefly touching the sensor. Touching the sensor for a longer time increases the light intensity, touching it again reduces it.
