

Stilnovo

Diphy P3

Technical details

Land van fabricage	 Italië
fabrikant	Stilnovo
ontwerper	Mirco Crosatto
jaar	2017
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, ijzeren, polymethylmethacrylaat
hoogteverstelling	hoogte bepaalbaar
dimmen	DALI dimbaar
LED	inclusief
Kleurweergave-index	90
Kleurtemperatuur in Kelvin	3.000 warm wit
prestaties van het systeem	3 x 14 Watt
Totale lichtstroom in lm	5.730
lichtverdeling	direct en indirect
totale hoogte	200 cm
Dimensions	B 68 cm L 84 cm

Omschrijving

The Stilnovo Diphy P3 is a pendant lamp with three diffusers. The three diffusers hang from a round canopy. Through small openings in the canopy, the cables of each lamp can be individually adjusted in their position in order to change the arrangement of the diffusers. Each diffuser is illuminated by an LED in a light rod, emitting the light both upwards and downwards. When the light is switched off, the diffusers appear transparent. When the light is switched on, a dot pattern engraved by laser is visible on the diffusers. For this effect the OptiLight technology was used in the production of the diffusers. The dot pattern is based on the petals of the Asian flower *Diphylleya Grayi*, after which the lamp series was named. The pendant lamp can be dimmed on site and set in height if required. With an optionally available Casambi module, the light can be dimmed via smartphone.
