Technical details

Land van fabricage	 Italië
fabrikant	Stilnovo
ontwerper	Pio & Tito Toso
jaar	2017
bescherming	IP40
Omvang van de levering	LED
materiaal	ijzeren, polymethylmethacrylaat, polyurethaan
hoogteverstelling	hoogte bepaalbaar
dimmen	DALI dimbaar
LED	inclusief
Kleurweergave-index	90
Kleurtemperatuur in Kelvin	3.000 warm wit
lichtverdeling	direct en indirect
totale hoogte	200 cm
Dimensions	H 20 cm

Omschrijving

The Stilnovo Oxygen P pendant lamp has a characteristic shape with high recognition value. In the inner, upper part of the lamp shade is a diffuser with laser-engraved micro-incisions. This directs the light emitted by the LEDs equally upwards and downwards. When switched off, the diffuser appears almost transparent thanks to OptiLight technology. This pendant light is available in white, black, yellow and azure blue. From the inside, the shade is always white. This lamp is also available with a diameter of 56 cm or with 75 cm. The three steel cables can be shortened if required. With protection class IP40, the pendant lamp is protected against solid foreign objects with a diameter of at least 1 mm. The light can be dimmed on site, with an optionally available Casambi module it can also be dimmed via Smartphone App.
