Wattage	9 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	1.269
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Schaduw diameter	16 cm
Dimensions	H max. 400 cm L 208 cm

Omschrijving

The Vibia North 5666 floor lamp hangs from the ceiling via a steel cable and is held on the floor by a counterweight. The light rod can be suspended at different heights during installation. This floor lamp can also be flexibly positioned after installation: The light rod can be rotated 360 degrees. With the aid of cables, the height of the lamp shade can be variably adjusted. The floor lamp's counterweight can also be used to adjust the angle of inclination of the light rod and the orientation of the shade. The lamp is available in these surfaces: white, black, blue and beige. All surfaces are matt lacquered. A push dimmer is integrated on the supply line. On request, the North 5666 is also available with a colour temperature of 3,000 warm white or 4,000 Kelvin white. Special cable lengths are also offered on request.
