LED	inclusief
Kleurweergave-index	90
Kleurtemperatuur in Kelvin	3.000 warm wit
lichtverdeling	direct en indirect
totale hoogte	200 cm
Dimensions	Ø 65 cm

Omschrijving

The Stilnovo Kyklos P2 is a double ring pendant lamp with luminous 2 cm thick polyurethane foam houses topLED sources that slide into the recesses of the material structure. Two light rings are arranged in a play of reflective mirrors: the smaller ring, located above the light source, directs the light downwards. The Kyklos P2 pendant lamp is the ideal solution for lighting the interiors of accommodation facilities and private residences. Available in totally white or in the precious brushed bronze finish (only the lower ring with source). The upper ring is in white.

The pictures displayed show the product completely in white instead of with the lower ring in bronze.

This lamp is dimmable in DALI and can also be dimmed with an optionally available Casambi module via Smartphone App. The Kyklos family boasts the prestigious Red Dot Award 2015. This is the pendant lamp with a diameter of 65 cm for the lower body.
