### Omschrijving

The Stilnovo Reflexio 47cm is a ceiling and wall lamp with topLED source embedded and hidden from view, placed perimeter wise along the inner circumference. The light is diffused by the dome reflector and expands throughout the room. There is no direct glare. Entirely made of metal in two sizes. The lamp is available in completely white or with a black outside. The inside of both versions is white. This is the lamp with a diameter of 46.2 cm. The unique features of this ceiling and wall light have allowed Reflexio to win the prestigious IF Design Awards 2018. Dimmable in phase-cut. With an optionally available Casambi module, this ceiling light can also be dimmed via Smartphone App.
