Omschrijving

The Vibia Tempo 5780 pendant lamp has a diamond-shaped diffuser with a diameter of 34.5 cm. The diffuser is made of mouth-blown glass. The lamp emits glare-free ambient light and is available in the surfaces terracotta-red, graphite-grey, cream-white, green. All surfaces are matt lacquered. An LED with a colour temperature of 2,700 Kelvin extra warm white is included, on request the lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. Standard total height is max. 200 cm, special cable lengths are available on request. The pendant light can be dimmed by the customer with 1-10 volt or push and is also available as a DALI dimmable version on request. A version is also available on request which can be dimmed with an optional Casambi module via smartphone. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
