Technical details

Land van fabricage	 Spanje
fabrikant	Marset
ontwerper	Lluis Porqueras
jaar	2013
bescherming	IP20
Omvang van de levering	LED 230V
Projectie in cm	30
materiaal	aluminium, ijzeren
kabel kleur	zwart
kabellengte	200 cm
dimmen	dimbaar op locatie
base/versie	E14
schakelbaarheid	aan de lijn
Wattage	5 W
LED	inclusief
Schaduw diameter	16 cm
schermhoogte	7 cm
bulb vervangen:	ter plaatse zelf
Dimensions	H 49 cm

Omschrijving

The Marset Funiculi A is a wall lamp that follows the style and characteristics of the Funiculi floor lamp designed by Lluis Porqueras for Marset in 1979. Equipped with the same double clip mechanism as the original, the wall lamp also allows easy height adjustment of the lamp shade. The shade can also be rotated 360 degrees. The lamp is available in black, moss grey, terracotta, green, mustard yellow and cream white. The light rod and the wall bracket are made of lacquered iron, the shade is made of lacquered aluminum. LED retrofit lamps can be used as illuminants. On the cable a toggle switch is integrated. The Funiculi A wall lamp can be connected via a mains plug or via a direct connection.
