Dimensions	H 50 cm

Omschrijving

The Marset Funiculi S is a table lamp with a lamp shade that can be adjusted in height with two clips on the lamp rod. In addition, the shade can be swivelled through 360 degrees, allowing the light to be adjusted at any time. The lamp is available in black, moss grey, green, terracotta, mustard yellow and cream-white. The base of the lamp as well as the rod of the lamp are made of painted iron, the lower part of the base is covered with black rubber for protection of the base. The lamp shade is made of lacquered aluminum. A toggle switch is integrated on the cable.
