### Omschrijving

If there is one iconic lamp in the Marset collection, it's the Discoco. Now that the fixture has turned ten years old, and following several additional sizes and finishes, it's time it finally got its due. The Discoco evolves with a new finish: oak. The quality and comfort provided by this fine material is unequalled. Making wood seem weightless is a real challenge, so for now, this new edition will be available in a 68 cm pendant model. The internal metallic structure remains, but in a nickel graphite finish. The new Discoco pays homage to the original: with its new wooden discs it persists in the dramatic game of light and shadow, and yields an extremely welcoming light.
