### Omschrijving

The Marset Funiculi A Fabric is a wall lamp with a polyester shade. The height of the lamp arm with shade can be adjusted via two clips on the lamp rod. The light of this lamp is emitted through the fabric shade into the room and directly downwards. The shade is available in the surfaces white and sand, light rod as well as wall mount are in both versions black lacquered iron. The lamp is connected via a plug, an on/off switch is integrated on the supply line. A halogen lamp or an LED retrofit lamp is suitable as a light source.
