

Vistosi

Damasco SP 6 P

Diffusorfarbe

- amber
- duidelijk

Technical details

Land van fabricage	 Italië
fabrikant	Vistosi
ontwerper	Paolo Crepax
jaar	2003
bescherming	IP20
Omvang van de levering	Leuchtmittel/Bulb
materiaal	kristalglas, metaal
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
base/versie	G9
prestaties van het systeem	6 x 60 Watt (max.)
totale hoogte	200 cm
Dimensions	B 80 cm

Omschrijving

The Vistosi Damasco SP 6 pendant lamp has a total of six glass diffusers. These are made of mouth-blown crystal glass, around which threads of melted crystal glass are laid by hand. The three metal rods with the glass diffusers can be individually aligned to each other. The light is emitted through the transparent glass diffusers, at the same time a part of the light also passes through the openings at the end. In addition, many reflections are generated on the surface. The Damasco SP 6 is available in the glass diffuser colours crystal clear and amber. The total height is a maximum of 200 cm, the cables of the pendant lamp can be shortened if required.
