Omschrijving

The Holtkötter Vita 6 70cm ceiling lamp emits its light directly downwards and, depending on the shade colour, also through the shade to the side. A white base made of chintz material provides a homogeneously illuminated surface and conceals the sockets with light sources. This Vita 6 has a diameter of 70 cm and a height of 18 cm. Its lamp shade is available in the colours white, wave optics white, sand, champagne, light grey, slate, gold leaf and silver leaf. The ceiling lamp can be operated with halogen lamps or LED retrofits.
