<b>Kleurtemperatuur in Kelvin</b>	2.700 extra warm wit
<b>Schaduw diameter</b>	32 cm
<b>schermhoogte</b>	25 cm
<b>Dimensions</b>	H 47 cm

## Omschrijving

The lamp shade of the Vistosi Riflesso SP 3 pendant lamp consists of mouth-blown crystal glass. The crystal glass is handcrafted during production. The lamp shade is available in the colours bright Amethyst and crystal transparent. The two elements on the top and bottom of the shade are made of metal and are offered in the surfaces brass satin gold or copper satin. The canopy has the same surface as the metal elements. The light is emitted into the room by the lamp without glare. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white. On request, the pendant lamp is also available with a colour temperature of 3,000 Kelvin warm white. The cable of the Riflesso SP 3 pendant lamp can be shortened if required. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
