Oberfläche

- Gepolijst aluminium
- mat aluminium
- matzwart

Höheneinstellung

- hoogte bepaalbaar
- hoogte verstelbaar

Technical details

Land van fabricage	 Duitsland
fabrikant	Byok
ontwerper	Kai Byok
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium
kabellengte	300 cm
dimmen	dimbaar op locatie met faseafsnijding dimmer
LED	inclusief
Kleurweergave-index	>90
Kleurtemperatuur in Kelvin	2.700 extra warm wit
bulb vervangen:	bij de fabrikant / fabriek
prestaties van het systeem	6 x 3,6 Watt
Totale lichtstroom in lm	1.830
Dimensions	H 1 cm B 5 cm L 95 cm

Omschrijving

The Byok Piani Mono 95 Downlight is a pendant lamp with a length of 95 cm. Its body is made of 10 mm thick solid aluminum. It is possible to tilt the pendant light in the longitudinal axis for glare-free workplaces and dining room tables. The lamp is offered height-determinable or height-adjustable up to 300 cm each. With the height-determinable version, the cables can be set to the desired length during installation; with the height-adjustable version, the overall height can also be adjusted after installation.

The Piani Mono 95 Downlight from Byok is available in matt aluminum, polished aluminum and matt black finishes. Six modern, replaceable LEDs are included. The LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent. In addition, the lamp is also available on request as a version that can be dimmed by smartphone/tablet via Bluetooth.
