

Bover

Domita S/20/13L

Technical details

Land van fabricage	 Spanje
fabrikant	Bover
ontwerper	Benedetta Tagliabue
jaar	2019
bescherming	IP20
Omvang van de levering	LED
Diameter in cm	195
materiaal	aluminium, hout, ijzeren
kabel kleur	zwart
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
base/versie	GU10
LED	inclusief
luifel Dimensions	29 cm
lampenkap kleur	hout
Schaduw diameter	20 cm
schermhoogte	26 cm
bulb vervangen:	ter plaatse zelf
prestaties van het systeem	13 x 8 Watt (max.)
totale hoogte	272 cm
Dimensions	Ø 195 cm

Omschrijving

The multiple pendant lamp Bover Domita S/20/13L consists of thirteen individual pendants, which are suspended from the canopy in different lengths. The shades of the Bover Domita S/20/13L pendant are made of completely natural beech wood. The cables run laterally out of the round brown canopy and are fixed to the desired position with ceiling fixings. The position of the individual pendant lights can thus be determined by yourself. Each of the thirteen lampshades has a diameter of 20 cm and is 25.5 cm high. The light of the Bover Domita S/20/13L is emitted directly downwards, but also diffusely through the braiding of the lampshade and at the same time distributed to the sides. The light sources in the GU10 sockets inside the lamps are interchangeable. The total height of this pendant lamp with black cables is 272 cm.
