Technical details

Land van fabricage	 Duitsland
fabrikant	Serien Lighting
ontwerper	Jean Marc da Costa
jaar	2019
bescherming	IP20
Omvang van de levering	LED
Projectie in cm	95
materiaal	Acrylglas, aluminium
LED	inclusief
Kleurweergave-index	>80
Kleurtemperatuur in Kelvin	3.000 warm wit
bulb vervangen:	ter plaatse zelf
prestaties van het systeem	2 x 41 Watt
Totale lichtstroom in lm	12.710
Dimensions	H 185 cm

Omschrijving

The Serien Lighting Slice2 Floor distributes its light both upwards and downwards. The light is emitted broadly and always glare-free upwards. Downwards, the light is distributed and glare-free through prismatic acrylic glass, making this lamp ideal for illuminating work surfaces. The lamp base can be positioned around a table leg to save space.

The Slice2 Floor is available in bright chrome, black, silver and white. The bright chrome floor lamp has a silver lamp base. This lamp is available in two versions:

- Version 1: with push button dimmer
- Version 2: with push button dimmer and motion and daylight sensor

Thanks to a memory function, the last brightness level set is saved and automatically selected the next time the lamp is switched on. As standard, the floor lamp has a colour temperature of 3,000 Kelvin warm white; on request, it is also available with 4,000 Kelvin white.
