The lamp shade surrounding this ceiling lamp is made of translucent stripes. The white polycarbonate diffuser and the translucent lamp shade allow light to be emitted downwards and also to the sides. This ceiling lamp is available in the shade colours white and cream. The Urban PF/60 is offered as an E27 or as a version with integrated, powerful LED. The E27 version has four E27 sockets and is operated with replaceable LEDs (retrofit). It is 16.5 cm high in total, the LED version 14 cm. The LED version has a colour temperature of 2700 Kelvin extra warm white. In the LED version, the ceiling mounting is visible above the lamp shade.
