

Knapstein

AURA

Oberfläche

- nikkel
- zwart

Technical details

Land van fabricage	 Duitsland
fabrikant	Knapstein
ontwerper	Knapstein
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, metaal
dimmen	gebarencontrole
Wattage	43 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	5.100
Kleurtemperatuur in Kelvin	2.700 extra warm wit
kandelaar Dimensions	28 cm
lampkop massa	30 cm
Dimensions	H 184 cm

Omschrijving

The Knapstein AURA floor lamp emits its light upwards to the ceiling. The lamp has a height of 184 cm. The Knapstein floor lamp can be switched and infinitely dimmed by gesture control. The sensor area for the gesture control is located in the centre of the light rod. The light is switched on or off with a wiping hand movement in the sensor area. To dim the light continuously, the hand is held near the sensor for a longer period of time. A memory function saves the last set light intensity and automatically selects it the next time the lamp is switched on. In the event of a mains failure, the lamp is automatically switched on if it was previously on. It remains switched off if it was also switched off before the mains failure. This function is suitable for use with switchable sockets.

The AURA is available in black and nickel matt finish. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source. The lamp is also offered with a rotating and swivelling reading arm.
