Schaduw diameter	23 cm
schermhoogte	17 cm
armlengte	35 + 55 cm
prestaties van het systeem	2 x 70 Watt (max.)
Wall mount Afmetingen	10 cm

Omschrijving

The Grupa Arigato Wall Double Long Short is a wall lamp with two rotatable and swivelling joint arms. The two jointed arms each consist of two parts. One part has a length of 35 cm, the other is 55 cm long. The jointed arms can be aligned independently of each other. The two lamp shades can be rotated 360 degrees and swivelled 125 degrees. A diffuser at the bottom of the lamp shades ensures a glare-free light emission downwards.

The Arigato Wall Double Long Short can be connected directly to a wall connection or via a delivered supply cable. An on/off switch is integrated on the wall bracket. The Arigato wall lamp is offered in the surfaces black or white matt powder-coated. On request, it is also available in other finishes. The two E27 sockets are suitable for halogen lamps or LED retrofit bulbs. From the Arigato series, a wall lamp with two jointed arms is also offered, both parts of which are 35 cm long. In addition, wall lamps with one jointed arm or one simple lamp arm are also available from Grupa.
