

Mawa

Bologna floor lamp

Technical details

Land van fabricage	 Duitsland
fabrikant	Mawa
ontwerper	Aloys F. Gangkofner
jaar	2020
bescherming	IP20
Omvang van de levering	LED 230 Volt
materiaal	aluminium, glas
glas	opaal
kabel kleur	antraciet
kabellengte	250 cm
dimmen	cord dimmer
base/versie	E27
Vermogen (max. Watt)	60 Watt
Kleurtemperatuur in Kelvin	Dim to warm
Schaduw diameter	40 cm
bulb vervangen:	ter plaatse zelf
Dimensions	H 52 cm

Omschrijving

The Mawa Bologna floor lamp is part of the Gangkofner edition, which was already developed by Aloys F. Gangkofner in the 1950s. The floor lamp with a height of 52.1 cm has a mouth-blown, opal white matt glass with a filigree ribbed structure. The light is emitted homogenously and glare-free in all directions through the glass with a diameter of 39.8 cm. Each glass is elaborately handmade. Possible small bubbles or slight deviations in size and glass thickness are signs of craftsmanship. Its three-legged lamp base is made of powder-coated aluminum in metallic bronze.

The Bologna floor lamp has a dimmer on the supply line with Dim to warm technology. When the floor lamp is dimmed, the light colour changes to a warmer tone (from 2,700 Kelvin to 1,800 Kelvin) due to the Dim to warm technology. A suitable, replaceable Dim to warm E27 LED bulb for operating the lamp is included. Only with a suitable bulb can be guaranteed a perfect function of the Dim to warm technology.
