Santo Tablo

Version

- aluminium
- bronzen
- zwart
- wit

Technical details

Land van fabricage	 Duitsland
fabrikant	LDM
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, chroom
stralingshoek	124 Graad
dimmen	Sensor dimmer op het hoofd
Wattage	14,5 W
LED	inclusief
Kleurweergave-index	>95
Lichtstroom in lm	600
Kleurtemperatuur in Kelvin	2.850 warm wit
kandelaar Dimensions	21 cm
lampkop massa	lengte 55 cm
bulb vervangen:	bij de fabrikant / fabriek
Dimensions	H 58 cm

Omschrijving

The LDM Santo Tablo is a table lamp with an adjustable lamp head and a height of total 58 cm. The lamp head has a length of 55 cm and can be swivelled by 180 degrees at the joint and rotated by 350 degrees. This allows the light to be directed exactly where it is needed. For adjustment, there is a practical handle on the lamp head. In addition, the height of the lamp head can be individually adjusted along the lamp rod.

The Santo Tablo is available in polished aluminum and powder-coated in bronze, white matt and black matt. The lamp head is delivered in the chosen finish. The lamp rod is always in polished chrome and the base in polished aluminum. A special design element is the external spiral cable which allows to flexibly adapt to any desired height.

The Santo table lamp has an integrated LED with a colour temperature of 2,850 Kelvin warm white. A sensor dimmer is located on the top of the lamp head, with which the lamp can be switched and dimmed without touching it. The light is switched on or off with a wiping hand movement over the sensor. To dim the light, the longer hand is held directly over the sensor.
