Ax-LED Pendant Lamp Vertical

Oberfläche

- nikkel glanzend
- satijn Nikkel
- zwart

Technical details

Land van fabricage	 Duitsland
fabrikant	Steng
ontwerper	Peter Steng
ontwerper 2	Andreas Steng
jaar	2012
bescherming	IP20
Omvang van de levering	LED
Diameter in cm	1
materiaal	metaal
kabellengte	300 cm
hoogteverstelling	hoogte bepaalbaar
dimmen	cord dimmer
Wattage	18 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	1.500
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Dimensions	H 150 cm Ø 1 cm

Omschrijving

The Steng Ax-LED Pendant Lamp Vertical is suspended from the ceiling by a cable. There is a counterweight at the bottom of the lamp. The lamp is not connected to the ceiling via a power connection, but via a two-metre long supply cable with plug. A dimmer is integrated on the supply line. The suspension cable has a total length of 300 cm and can be shortened on site if necessary.

The Ax-LED Pendant Lamp Vertical is available in the surfaces satin nickel, glossy nickel and matt black with fine structure. The lamp has a length of 150 cm and is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The light is emitted from the lamp homogeneously and glare-free indirectly onto the wall.
