Santo Gala Grande

Version

- aluminium
- bronzen
- zwart
- zilver
- wit

Technical details

Land van fabricage	 Duitsland
fabrikant	LDM
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium
stralingshoek	124 Graad
dimmen	twee afzonderlijk inschakelbare en dimbare sensordimmers
LED	inclusief
Kleurweergave-index	>95
Kleurtemperatuur in Kelvin	2.850 warm wit
bulb vervangen:	bij de fabrikant / fabriek
prestaties van het systeem	4 x 14,5 Watt
Totale lichtstroom in lm	2.400
totale hoogte	115 cm
Dimensions	L 240 cm

Omschrijving

The LDM Santo Gala Grande is a pendant lamp with a length of 240 cm. Four LEDs are integrated next to each other in the lamp, which emit most of their light directly downwards. Via two sensor dimmers, the two left and the two right LEDs can be switched and dimmed in pairs without touching. A wiping hand movement in the respective sensor area switches two LEDs on or off. To dim the light of two LEDs, the hand is held in the sensor area for a longer period of time.

The Santo Gala Grande is made of aluminum and is available in polished aluminium, silver metallic, bronze, black and white matt. All surfaces except polished aluminum are powder-coated. The lamp is suspended from the ceiling by two cables, two power connections are required on the ceiling. The LDM pendant lamp has a total height of 115 cm, special cable lengths are also available on request.
