Omschrijving

The Betec Luxus is a bright, glare-free floor lamp in the style of "Art Deco" as a high-quality handcrafted design lamp. The lamp head can be rotated up to 360 degrees and pleasantly distributes the light on the table, on the wall or on the ceiling. The Luxus is operated with power LEDs and features ultra-modern technology in retro garb. The Luxus floor lamp can be switched via an integrated touch dimmer and dimmed continuously. A short touch on the metallic surface of the lamp switches it on and off. A longer touch changes the brightness from 0 to 100%. The Betec floor lamp is offered in three sizes: with a height of 65 cm, 127 cm or 185 cm. The glossy surfaces brass and nickel are available.
