Omschrijving

This Bover Fora P floor lamp has an open cast iron base. In addition, the Fora P is also offered with a lamp base made of stable concrete. The Fora P has a lamp shade made of a weather-resistant, synthetic wickerwork, which is manufactured by hand. The lamp shade of the Bover Fora P has a diameter of 50 cm. The total height of this floor lamp, which is suitable for outdoor as well as indoor use, is 165 cm.

The Fora P with cast iron lamp base is offered with the shade colours light beige and brown. The version of the lamp with a beige lamp shade has a lamp rod and base in white, the version with a brown lamp shade has a lamp rod and base in graphite brown. Thanks to the IP66 protection class, the Bover Fora P is dustproof and protected against strong jets of water, so that it is also ideal as an outdoor lamp.

The Fora P floor lamp is offered as E27 and LED version. The E27 version has two E27 sockets and can be operated with replaceable LED retrofits. If dimmable lamps are used, the lamp is also dimmable. The LED version has an integrated LED with a colour temperature of 2,700 Kelvin extra warm white. This lamp in rattan look comes with a black, waterproof neoprene cable with plug. For the E27 version, the cable is 250 cm long in total, for the LED version 369 cm.
