materiaal	eik, Lunopal, metaal, textiel, vilt
kabel kleur	grijs
dimmen	cord dimmer
base/versie	E27
Vermogen (max. Watt)	15 Watt
LED	inclusief
lampenkap kleur	wit
kandelaar Dimensions	lengte 24, breedte 21 cm
bulb vervangen:	ter plaatse zelf
totale hoogte	55 cm
Dimensions	B 15 cm

Omschrijving

The Domus Fläks Table Lamp is 55 cm high and 15 cm wide. Its depth is 20 cm. Thanks to an integrated magnet, the lamp can be positioned freely on the lamp base. The lamp base is made of white, powder-coated metal. Its lamp shade is made of Lunopal, a high-quality material that Domus has developed for its lamp shades. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant, washable and does not fade. There is a hand dimmer on the supply cable. The Fläks Table Lamp has an E27 socket that can be operated with replaceable LEDs (retrofit).
