

Domus Croiz lunopal

Technical details

Land van fabricage	 Duitsland
fabrikant	Domus
ontwerper	ab Werk
jaar	2014
bescherming	IP20
Omvang van de levering	Leuchtmittel/Bulb
materiaal	eik, Lunopal
kabel kleur	grijs
dimmen	cord dimmer
base/versie	E27
Vermogen (max. Watt)	60 Watt
lampenkap kleur	wit
Schaduw diameter	25 cm
totale hoogte	150 cm

Omschrijving

The Domus Croiz floor lamp is 150 cm high in total. Its lamp shade can be adjusted in height along the lamp rod. Its lamp rod and base are made of white oak. The German manufacturer Domus has developed the high-quality material Lunopal for its lamp shades. Lunopal is white transparent and looks like fine Japanese paper. It is highly thermally resistant, so it is withstanding temperatures of up to 100°C. The completely environmentally friendly material is UV-resistant, washable and does not fade. A foot dimmer is integrated on the supply line of the floor lamp. The Croiz has an E27 socket and can be operated with replaceable LEDs (retrofit).
