<b>Dimensions</b>	H 8 cm   B 36 cm   L 126 cm

### Omschrijving

The Domus Kioto 10 can also be used as a wall lamp. It is suitable for surface mounting as well as for recessed mounting. This lamp has a length of 126 cm and a width of 36 cm. It is 8 cm high. Its lamp shade made of Lunopal is divided into 10 fields and surrounded by a frame made of beech. Lunopal is a white transparent material, which Domus has developed especially for its lamp shades and which does not fade. A powerful, dimmable LED with a colour temperature of 3,000 Kelvin warm white is included. A beech covering frame is optionally available as an accessory, which can be used to conceal the metal holder of the lamp.
