Omvang van de levering	LED
materiaal	Acrylglas, hout, staal, textiel
kabellengte	200 cm
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie met faseafsnijding dimmer
Wattage	25 W
LED	inclusief
Kleurweergave-index	>92
Lichtstroom in lm	3.100
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	17 cm
Schaduw diameter	43 cm
schermhoogte	11 cm

Omschrijving

The Domus LARAwood Pendant Lamp M is suspended on three steel cables and can be individually set in its total height during installation. Downwards, the lamp distributes the light homogeneously and glare-free, upwards, the light is predominantly dimmed. The view into the interior of the lamp is particularly beautiful, where the low diffuser shows off the wood grain of the lamp to its best advantage. This pendant lamp is available in the finishes walnut, white oak and black oak.

The LARAwood Pendant Lamp M includes a powerful, dimmable LED with a colour temperature of 2,700 Kelvin extra warm white. The integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra > 92. Domus also offers a larger LARAwood pendant lamp.
