Piani Mono 125 Downlight

Oberfläche

- Aluminium polerowane
- Matt aluminium
- czarny matowy

Leuchte

- z regulacją wysokości
- z regulacją wysokości

Technical details

Kraj produkcji	 Niemcy
producent	Byok
projektant	Kai Byok
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium
długość kabla	300 cm
ściemnianie	ściemnialna kontroli faz przyciemniania
LED	Łącznie
Wskaźnik oddawania barw	>90
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
wymiana żarówek:	u producenta / w fabryce
wydajność systemu	8 x 3,6 Watt
Całkowity strumień świetlny w lm	2.440
Dimensions	H 1 cm B 5 cm L 125 cm

Opis

The Byok Piani Mono 125 is a pendant lamp. It is part of the Piani collection designed by Byok. Its unusual shape is only 1 cm thin. This lamp pleasantly illuminates the room in an almost agravic way. The eight LED bulbs are placed inside sockets so that you may exchange them singly. Following surfaces are offered: aluminum matt, aluminum polished or black matt. The light is offered either height-determinable (can be set to the desired length during assembly) or height-adjustable (the overall height can also be adjusted after assembly).

The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent.
