

Byok

Nastrino wall lamp

Oberfläche

- Matt aluminium
- czarny matowy

Technical details

Kraj produkcji	 Niemcy
producent	Byok
projektant	Kai Byok
ochrona	IP20
zakres dostawy	LED
Projekcja w cm	55
tworzywo	aluminium
długość kabla	300 cm
ściemnianie	kontrola gestow zastąpione przez zawodowe
LED	
Wskaźnik oddawania barw	90
Temperatura barwowa w stopniach Kelvina	Dim to warm
wydajność systemu	2 x 3,6 Watt
Całkowity strumień świetlny w lm	610
dystrybucja światła	bezpośrednio
Dimensions	H 60 cm

Opis

The Byok Nastrino wall lamp is equipped with high-quality LED technics, combined with two dazzle-free light zones, to create the ideal working light. This is underlined by the well designed joint technics. Due to the sophisticated joint technique of the Nastrino family, it can be adjusted in a variety of ways, thus aligning the light exactly there, where it is needed.

The design consists of simple ground aluminium profiles. Different surfaces are on offer: matt aluminum and matt alu black. The Nastrino wall lamp ensure ideal light whether it is mounted beside the couch or the chair as an efficient reading light or in the office next to the desk. It is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
