tworzywo	poliwęglan, stal
długość kabla	200 cm
pedestał/wersja	E14
Możliwość zmiany trybu	na świeczniku
Moc (maks. W)	7 Watt
Dimensions	H 56 cm

Opis

The Vibia I.Cono 0700 is a table lamp whose lamp shade and base can be rotated. The surfaces white, grey, blue, beige and terra red are offered. With its overall height of 56 cm, the I.Cono 0700 is suitable for any table and can be used for example as a bedside or desk lamp. It can also very well be combined with the other lamps from the series. The necessary stability is obtained by its 24 x 21cm large lamp base. With a switch on the base it is switched on and off. LEDs (Retrofit) can be used as light source.
