

Vibia

Halo Circular 2332

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Martín Azúa
ochrona	IP20
zakres dostawy	Leuchtmittel
tworzywo	polimetakrylan, stal
powierzchnia	biały
regulacja wysokości	wysokość ustalona
ściemnianie	1-10V ściemniania
LED	łącznie
Wskaźnik oddawania barw	>80
Temperatura barwowa w stopniach Kelvina	3.000 biała ciepła
baldachim Wymiary	35 cm
wydajność systemu	3 x 23 Watt
Całkowity strumień świetlny w lm	5.180
wysokość całkowita	350 cm
Dimensions	B 80 cm L 127 cm

Opis

The Vibia 2332 is a three-lighted pendant lamp with modern LED technology. It was created by the designer Martín Azúa, who designed the lamp with three circular elements made of matt white PMMA. Each one of these three elements can be set in height separately and can be suspended up to a maximum of 350 cm. The lamp is free to hang horizontally or diagonally. Three efficient LEDs are included. The lamps are electronically dimmable from 1-10V. On request there are also offered a DALI as well as a dimmable version with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
