

Vibia

Cosmos 2515

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Lievore Altherr Molina
ochrona	IP20
zakres dostawy	LED
tworzywo	ABS, poliwęglan, stal
regulacja wysokości	wysokość ustalona
ściemnianie	DALI ściemniania
LED	łączenie
Wskaźnik oddawania barw	>80
Strumień świetlny w lm	1.940
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	Długość 67 cm, szerokość 28 cm
wydajność systemu	4 x 4,5 Watt
wysokość całkowita	200 cm
Dimensions	B 24 cm L 76 cm

Opis

The Vibia Cosmos 2515 is a four-light pendant lamp which is reminiscent of a constellation of various moons. The designers Lievore, Altherr and Molina created it. Four round, disc-shaped lamp shades made of polycarbonate in different sizes and colours form the lamp.

The two smaller lamp shades measuring 19 cm in diameter and are dark brown matt, the two larger lamp shades are 27 cm in diameter. One of the two larger lamp shades is light grey matt, the other bright matt green. The four lamp shades can be suspended until a maximum of 200 cm. Four modern 4.5 Watt LEDs are included. The light can be dimmed on site by an external dimmer (with DALI, push or 1-10 Volt). On request, there is also offered a with Casambi module dimmable version. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
