### Opis

The Foscarini Rituals Suspensione 2 is one of four pendant lamps of the Rituals series by Foscarini that resembles a lantern in its ease. In a complex method the diffuser that is made of blown glass is provided with a unique striped effect. This way the viewers of the Ritual Suspensione 2 are reminded of the wagashi paper of oriental lanterns. The light emits a pleasantly diffused light into the room. This Version is offered with a E27 socket.

The canopy of this light is made of painted metal and the light has a maximum suspension of 340 cm but there is on request also a version with a larger suspension on offer. The cable is shortenable if necessary.
