Opis

The Lightyears Caravaggio F is an extremely flexible floor lamp belonging to the famous Caravaggio series. The characteristic shade of the Caravaggio F is brilliantly lacquered in matt grey. The lamp shade can be tilted by 40° to create an asymmetrical look. The floor lamp is 151.5 cm high and has a shade diameter of 40 cm. Cecilie Manz designed this light and she gave a simple shape with soft lines to the whole collection. This Lightyears series was named after the baroque Italian painter Caravaggio who is famous for his dramatic illustrations with a sharp contrast between brightness and darkness.
