zakres dostawy	LED
Projekcja w cm	90
tworzywo	skórzany, stal nierdzewna, szkło borokrzemowe
ściemnianie	Ściemniacz dotykowy na głowicy oprawy
pedestał/wersja	E27
Moc (maks. W)	13 Watt
LED	Łącznie
Temperatura barwowa w stopniach Kelvina	Dim to warm
Średnica klosza	11 cm
wysokość abażur	9 cm
świeczniku Wymiary	24 cm
wymiana żarówek:	na miejscu

Opis

The lamp arms of the Serien Lighting Job are adjustable at any time. Its lamp head can also be swivelled. This table lamp emits its light directly and shielded at the sides. It also convinces functionally: even at maximum power, the lamp head remains cool. The underside of the table base is made of genuine leather; the table clamp and the Furniture furniture adapter for direct mounting are made of polished stainless steel. The lamp arms and shade are made of borosilicate glass and stainless steel. This table lamp is regulated with a push button dimmer on the lamp head. The lamp has the Dim2Warm function, which changes the light colour of the LEDs to a warmer tone (from 2,900 Kelvin warm white to 2,200 Kelvin extra warm white) when dimmed.
