

less'n'more

Ylux Floor Light

Leuchtenkopf

- biały mat
- czarny matowy
- polerowane aluminium

Technical details

Kraj produkcji	 Niemcy
producent	less'n'more
projektant	less'n'more
ochrona	IP43
zakres dostawy	LED
tworzywo	aluminium, beton, skórzany
kąt nachylenia belki	50 - 100 stopni
kolor przewodu	przezroczysty
długość kabla	200 cm
regulacja wysokości	z regulacją wysokości
ściemnianie	Ściemniacz obrotowy na głowie
Moc w watach	12,6 W
LED	łącznie
Wskaźnik oddawania barw	95
Strumień świetlny w lm	1.200
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
świeczniku Wymiary	23 cm
Głowica lampy Wymiary	9 cm
wymiana żarówek:	na miejscu
dystrybucja światła	bezpośrednio
Dimensions	H 87 - 137 cm

Opis

The Less'n'more Ylux floor lamp is a single-flame floor lamp with a rotating and swiveling lamp head. To change the beam angle of the light, the glass lens is rotated in or out of the luminaire head. With a larger beam angle, the light is distributed over a larger area. With this luminaire, the beam angle can be adjusted between 50 and 100 degrees.

The luminaire head is available in different colors. The luminaire in polished aluminum and in black has a grey luminaire base, the luminaire with white luminaire head has a white luminaire base.

The light rod of the floor lamp consists of an aluminum telescopic tube. A leather loop is used for easy height adjustment. The height of the light can be adjusted as required between 87 cm and 137 cm. The Ylux floor lamp has several smooth-running ball joints that allow the light rod on the base to tilt 20° and the head to swivel 135° and rotate 360°.

The concrete base has a diameter of 23 cm and has a cable reel. Due to the natural nature of the material, the surfaces of the luminaire base may vary, i.e. be lighter/darker. An LED is integrated as the light source for the Ylux floor lamp. The brightness of the light can be adjusted using a rotary dimmer on the light head.
