

Vibia

Algorithm 0820

Oberfläche

- szary grafit
- biały

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Toan Nguyen
rok	2015
ochrona	IP20
zakres dostawy	LED
Średnica w cm	9
tworzywo	aluminium, poliwęglan, stal, szkło
regulacja wysokości	wysokość ustalona
ściemnianie	1-10V ściemniania
Moc w watach	3,15 W
LED	Łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	312
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	19 cm
wymiana żarówek:	u producenta / w fabryce
wysokość całkowita	200 cm
Dimensions	H 39 cm Ø 9 cm

Opis

The Vibia Algorithm 0820 is a single pendant lamp. It consists of a ball of blown glass with a diameter of 9 cm. The lamp has a height of 39 cm. It is available with two surfaces for glass mounting: graphite-grey and white matt. The glass mounting is made of aluminum, the diffuser made of polycarbonate and the canopy made of steel. The cable is height determinable.

The lamp is delivered with a build-up canopy, on request it is also available with a built-in canopy. The Algorithm 0820 was developed by the Paris-born designer Toan Nguyen. He was inspired by geometrical patterns from nature. An LED with a power of 3.15 watts as well as a colour temperature of 2,700 Kelvin extra warm white is included. On request, the lamp is also offered with 3,500 Kelvin white. The LED is on site dimmable at 1-10 volt. It can also be dimmed on site with DALI or Push. On request, a version is also available which can be dimmed via a smartphone with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
