

Vibia

Algorithm 0860

Oberfläche

- szary grafit
- biały

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Toan Nguyen
rok	2015
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, poliwęglan, stal, szkło
ściemnianie	1-10V ściemniania
LED	Łącznie
Wskaźnik oddawania barw	>90
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	19 cm
wymiana żarówek:	u producenta / w fabryce
wydajność systemu	13 x 3,15 Watt
Całkowity strumień świetlny w lm	4.059
Dimensions	B 110 cm

Opis

The Vibia Algorithm 0860 consists of thirteen pendant lamps arranged in a cross shape. The legs of the cross consist of five lights, one of which forms the center of the cross. In addition, there is a square of four lamps inside the cross shape. This pendant lamp can also be combined with other lamps from this series. The suspension of the thirteen pendant lights has a length of 110 cm and a width of 110 cm. Each pendulum on this lamp has a length of 110 cm and a bottom edge glass / suspension. On each pendulum hangs a glass. Each glass is 9 cm in diameter. It is mouth-blown and hung from an aluminium mounting. The glass fixing is available in white or graphite-grey matt.

The canopy is mounted on the ceiling. Below this hangs the suspension. The distance between ceiling and suspension is freely selectable between 16 - 200 cm. The cable length is 110 cm and cannot be shortened. If required, please let us know the desired cable length. The lamp is also available with a recessed canopy on request. Designer Toan Nguyen designed the 2015 pendant lights as a tribute to geometric structures found in nature. Each of the thirteen pendulums has an LED that can be dimmed with 1-10 volts. Dimming with push or DALI is also possible. On request there is also a version that can be dimmed with a smartphone. This pendant light has a standard colour temperature of 2,700 Kelvin extra warm white. On request, the lamp is also offered with 3,500 Kelvin white.
