

Vibia

Flamingo 1515

Version

- złoto
- Szary grafit
- miedź
- biały

Technical details

Kraj produkcji	 Hiszpania
producent	Vibia
projektant	Antoni Arola
rok	2015
ochrona	IP20
zakres dostawy	LED
tworzywo	akryl, aluminium, metakrylan, stal
regulacja wysokości	wysokość ustalona
ściemnianie	snur opornik
LED	Łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	1.108
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	16 cm
Średnica klosza	70 cm
wydajność systemu	2 x 5,6 Watt
wysokość całkowita	500 cm
Dimensions	H 80 cm

Opis

Vibia Flamingo 1515 emits direct and indirect light. The light source is located in a lamp head below the two conical shades. The translucent shades let a part of the light go through and also reflect a part of the light into the room. A cable is integrated into the lamp head, with which the pendant light can be connected independently of the current outlet. The lamp head also carries a cable from which a counterweight hangs approximately 2 cm above the floor. The lamp head, the counter-weight as well as the canopy are available in gold satin matt, white matt lacquered, graphite-grey matt lacquered and copper glossy. The pendant lamp can be adjusted in height by shortening the cables if required.

A dimmer is integrated on the supply cable with which the light is dimmed and switched. The light is switched on and off by pressing the switch quickly, and a longer press sets the light intensity. There is also available the same lamp as with a direct ceiling connection.
