## Flamingo 1530

### Version

- złoto
- miedź
- grafit
- biały

### Technical details

<b>Kraj produkcji</b>	 Hiszpania
<b>producent</b>	Vibia
<b>projektant</b>	Antoni Arola
<b>rok</b>	2015
<b>ochrona</b>	IP20
<b>zakres dostawy</b>	LED
<b>tworzywo</b>	akryl, aluminium, metakrylan, stal
<b>regulacja wysokości</b>	wysokość ustalona
<b>ściemnianie</b>	1-10V ściemniania
<b>LED</b>	łącznie
<b>Wskaźnik oddawania barw</b>	>90
<b>Strumień świetlny w lm</b>	1.662
<b>Temperatura barwowa w stopniach Kelvina</b>	2.700 extra biała ciepła
<b>baldachim Wymiary</b>	16 cm
<b>Średnica klosza</b>	90 cm
<b>wydajność systemu</b>	3 x 5,6 Watt
<b>wysokość całkowita</b>	350 cm
<b>Dimensions</b>	H 100 cm

### Opis

The Vibia Flamingo 1530 has two lamp heads. One lamp head contains two LEDs and is located below the three shades. This lamp head emits direct light and indirect light. A part of the light is directed upwards by the translucent shades, a part of the light is reflected from the shades also into the room. For additional ceiling illumination, the second lamp head illuminates the top shade, which mainly reflects the light to the ceiling.

The shades are made of opal white, thermoplastic methacrylate, the lamp heads made of aluminum. The light heads are available in gold satin matt, graphite-grey matt lacquered, white matt lacquered and copper glossy. The canopy is always in the matching colour to the lamp heads. The suspension height of the pendant lamp can be varied by shortening the cables. The light can be dimmed on site. A via smartphone with Casambi module dimmable version is also available on request.
