Opis

The Arturo Alvarez Ballet Elance pendant lamp is made of an extremely flexible stainless steel mesh. This stainless steel mesh was specially developed by the Arturo Alvarez brand and allows the designer Hector Serrano enormous creative freedom. It is highly malleable, very resistant and compact. The Ballet Elance pendant lamp with transparent cable and a total height of 150 cm is offered in white and grey finishes. On request, the lamp is also available in taupe and beige. On request, this pendant lamp is also offered with a black cable. This pendant lamp is available as E27 and LED version. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The version with integrated LED of the Arturo Alvarez Ballet Elance is on request also available with a colour temperature of 3,000 Kelvin warm white. A DALI dimmable version of the LED version is also offered on request.
