Opis

The Arturo Alvarez Ballet Plie pendant lamp is made of an extremely flexible stainless steel mesh. The Arturo Alvarez brand has developed this stainless steel mesh especially for its lamps. It is particularly compact, resistant and very malleable. The Ballet Plie pendant lamp with transparent cable is offered in the surfaces white and grey. On request, the lamp is also available in taupe and beige. This pendant lamp is on request also available with a black cable. This pendant lamp is offered in both E27 and LED versions and has a total height of 150 cm. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The version with integrated LED of the Arturo Alvarez Ballet Plie has a colour temperature of 2,700 kelvin extra warm white. On request the LED version of this lamp is also available with a colour temperature of 3,000 kelvin warm white. A DALI dimmable version of the LED lamp is also available on request.
