

Anglepoise

Original 1227 Lamp with Desk Clamp

Oberfläche

- chrom
- czarny
- szary
- biały

Technical details

Kraj produkcji	 Wielka Brytania
producent	Anglepoise
projektant	George Carwardine
rok	1935
ochrona	IP20
zakres dostawy	LED 230 Volt
Projekcja w cm	72
tworzywo	aluminium, tekstylny, topienie
długość kabla	200 cm
ściemnianie	na miejscu z funkcją ściemniania
pedestał/wersja	E27
Możliwość zmiany trybu	na smyczy
Moc (maks. W)	20 Watt
LED	łącznie
Średnica klosza	16 cm
wysokość abażur	14 cm
wymiana żarówek:	na miejscu
dystrybucja światła	bezpośrednio
Dimensions	H 49 cm

Opis

The Anglepoise Original 1227 Lamp with Desk Clamp can be mounted on tables and shelves. The clamp is suitable for tables with a thickness of 1 cm to 6 cm. As with many other Anglepoise lamps, this lamp also has the tension spring technology developed by George Carwardine, which allows the articulated arm to be readjusted at any time. Thanks to this tension spring technology, the clamp lamp retains every set position. The lamp shade can be individually rotated and tilted. The Original 1227 Lamp with Desk Clamp is available in jet black, dove grey, linen white and bright chrome. The articulated arm and lamp shade are made of aluminum, the clamp made of cast iron. By using an additional neat cable clamp, the on/off switch on the supply line can be attached anywhere on the articulated arm of the lamp. Both compact fluorescent lamps and LED retrofit are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
